

## Written Authorization Regarding Corporate Transparency Act Filing Requirements

The undersigned (“you”) hereby acknowledges that: (a) you have requested legal services in connection with the creation or registration of the entity or entities identified below; (b) the Corporate Transparency Act (“CTA”) and the regulations promulgated thereunder by U.S. Treasury Department’s Financial Crimes Enforcement Network (“FinCEN”) require, unless an exemption applies, the reporting of certain information (collectively, “CTA reporting information”) about (i) the entity being created or registered (“reporting company”), (ii) certain beneficial owners and executive officers of, and persons with substantial control over, the reporting company (collectively, “beneficial owners”), and (iii) the persons who are involved in creating or registering the reporting company (“Company Applicants”); (c) an employee (*e.g.*, attorney) of Cozen O’Connor may be considered to be a Company Applicant; (d) the CTA reporting information must be reported within certain deadlines (typically 30-90 days from creation of the reporting company); and (e) failure to report the CTA reporting information or providing false or fraudulent information is unlawful and subject to the imposition of penalties. You hereby acknowledge and agree that it is your responsibility, as the Client, to provide accurate and complete CTA reporting information with respect to such reporting company and its beneficial owners in a timely manner as required by the CTA. If Cozen O’Connor is assisting you with the filing of CTA reports for a reporting company, you agree to provide us (or our designated third-party service provider on our behalf) with all required CTA reporting information at least five (5) business days prior to the applicable reporting deadline. If you choose to handle the CTA reporting with respect to such entity creation without the assistance of Cozen O’Connor, (x) you agree to provide us written notice to that effect promptly following the creation or registration of the reporting company, (y) you agree that you will provide written evidence to Cozen O’Connor that such reporting has been completed at least five (5) business days prior to the reporting deadline, and (z) to the extent a Cozen O’Connor employee (*e.g.*, attorney) is considered a Company Applicant, we agree to provide the required information with respect to such Company Applicant. Furthermore, you acknowledge and agree that the reporting company is required, and you will cause the reporting company, to file an updated CTA report within 30 days of any change in the CTA reporting information. Cozen O’Connor’s scope of services does not include the filing of updated CTA reports due to any change in the CTA reporting information.
