**STOCK OPTION GRANTS**

WHEREAS, the Company previously adopted the Company’s 2020 Equity Compensation Plan (the “**Plan**”) for the benefit of the Company’s eligible employees, consultants and advisors, non-employee members of the Board, and other service providers who perform services for the Company or its subsidiaries;

WHEREAS, the Board desires to approve a grant of options under the Plan (the “**Options**”) to the individuals listed on the attached **Exhibit A**, in each case to purchase and be granted the number of shares of the Company’s Common Stock (“**Common Stock**”), as listed next to such individual’s name on **Exhibit A**, with the vesting schedule set forth on such **Exhibit A**, with an exercise price not less than the fair market value of one share of Common Stock as of the date hereof; and

WHEREAS, the Board understands that a reasonable method of determining the fair market value of a share of Common Stock for purposes of setting the exercise price of options is to consider the following factors to the extent they are relevant: (i) the value of the tangible and intangible assets of the Company, (ii) the present value of anticipated future cash flows, (iii) the market value of stock or equity interests of similar companies or entities engaged in substantially the same business, (iv) recent arm’s length transactions involving the sale or transfer of the Company’s equity interests, and (v) other relevant factors; and

WHEREAS, to aid the Board in determining the fair market value of a share of Common Stock the Board has obtained and reviewed an outside valuation from Dahn Consulting Group (the “**Valuation Report**”) pursuant to which it was determined that, as of September 19, 2020, the fair market value of one share of Common Stock of the Company was \$0.01; and

WHEREAS, the Board has reviewed the Valuation Report and the current activities and results of operations of the Company as of the date hereof and has concluded that the fair market value of one share of Common Stock has not changed since the date of the Valuation Report and does not exceed \$0.01 and the Board desires to confirm and approve that the fair market value of a share of Common Stock on the date hereof is \$0.01; and

WHEREAS, the Board desires to confirm and approve the applicability of the Valuation Report on the date hereof and the determination of the continuing fair market value of a share of Common Stock as reflected in the Valuation Report and of the exercise price of each of the Options is \$0.01, which is not less than the fair market value of one share of Common Stock as so determined on the date hereof.

NOW, THEREFORE, BE IT RESOLVED, that the Valuation Report is hereby confirmed and approved, and based on the Board's review of the Valuation Report and the current activities and results of operations of the Company as of the date hereof the Board hereby determines that the fair market value of one share of Common Stock on the date hereof is \$0.01; and it is further

RESOLVED, that the Options shall have an exercise price of \$0.01 per share, which is not less than the fair market value of one share of Common Stock on the date hereof; and it is further

RESOLVED, that the Options are hereby granted under the Plan to the individuals listed on Exhibit A, in the amounts and with the vesting schedules listed next to their name on Exhibit A, pursuant to the terms of the Plan and the forms of Grant Agreement previously approved by the Board; and it is further

RESOLVED, that the shares of Common Stock issued by the Company upon exercise of the Options, upon such issuance, shall be duly authorized, validly issued, fully paid and nonassessable; and it is further
